

~~for this purpose are restricted for expenditure requirements resulting from changes in federal law, regulations and fiscal policies;~~

~~(3) \$30 million to supplement the appropriation for school construction projects through program 23.05.02.01 Board of Public Works Capital; and~~

~~(4) \$6 million to provide an appropriation for community college construction projects, provided that ~~this \$200 million~~ \$190 million of this appropriation shall be solely restricted to reducing State personal income taxes commencing with calendar year 1997, as enacted in the 1996 Legislative Session by legislation that specifies use of these moneys.~~

~~Further provided that in the 1996 Legislative Session, the Governor may propose use of this appropriation to offset:~~

~~(1) substantial reductions in federal revenues due to changes in federal law or fiscal policies;~~

~~(2) reductions in State revenues attributable to changes in federal income tax law; and~~

~~(3) substantial downturns in revenues resulting from significant changes in the economy or federal actions that lay off or terminate Maryland employees.~~

~~This appropriation may be used for these purposes only to the extent expressly enacted in an Act of the General Assembly or as enacted in the State budget bill.~~

~~Further provided that in the 1996 Legislative Session, the Governor shall submit to the General Assembly with the State budget bill a report that indicates for the current fiscal year and for the fiscal year for which the State budget is proposed, the effects on revenues and expenditures of changes in federal law or federal fiscal policies and the extent to which any moneys from this appropriation are being requested to offset the effects.~~
