The General Assembly hereby authorizes the use of any unspent general funds transferred from the Women, Infants and Children Food Program (32.06.02.05) for a permanent "WIC" contingency reserve account within the Dedicated Purpose Account.

90.01.03.01 Economic Development Opportunities Program Fund

General Fund Appropriation, provided that in addition to the limitations provided on use of these funds as specified in § 7-314 of the State Finance and Procurement Article, these funds shall be used only to promote statewide or local economic development strategies and objectives having substantial economic impact. Upon request to the Legislative Policy Committee for use of these funds, supporting documentation, to the extent appropriate, shall indicate:

- (1) the period of time required to recoup the state's investment;
- (2) the number and type of jobs that will be retained or created;
- (3) the long-term economic impact to the state and affected local jurisdictions; and
