

203.

(e) The board of directors shall certify to the county commissioners and to the county treasurer the total amount due each year for the redemption of the bonds or notes so issued including all payments of principal and interest. The county treasurer shall compute each year the amount due from each individual landowner, based upon the amounts shown in the watershed tax roll, in such manner that the total of amounts individually due shall equal in any year the aggregate sum required in that year for the redemption of the bonds or notes and interest. The county treasurer shall include in his regular tax bill for each taxable YEAR, the sum as so computed. Such watershed taxes shall be due and collectible at the same time and in the same manner as county taxes, and shall be liable to the same interest and penalties for late payment or nonpayment.
