

necessary changes for improving school performance.

Object .12 Grants, Subsidies and Contributions

1,369,200

General Fund Appropriation, provided that \$1,369,200 of this appropriation may not be expended until the Maryland State Department of Education in conjunction with Baltimore City Public Schools provide a report to the budget committees that includes information on:

(1) the scope of efforts to improve schools that are identified for reconstitution; and

(2) how funds will be allocated to schools and the uses of these funds.

Funds may not be expended until the budget committees have reviewed and commented on the report or 45 days have elapsed from the date the report is received by the committees.

1,369,200

36.01.02.13 Innovative Programs

In addition to the appropriation shown on page 95 of the printed bill (first reading file bill), to provide funds for the Maryland Student Service Alliance which promotes youth service throughout the State. Funds will be used for supporting staff to provide training and technical assistance to teachers, students and community-based organizations to ensure meaningful service learning experiences. Data collection, evaluation, monitoring and reporting the status of service learning in Maryland will also be undertaken with these funds.
