REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48A, § 34.

In subsection (a) of this section, the word "complete", which modifies "report", is substituted for the former words "full and true" for brevity.

In subsections (b)(1) and (2), (c)(1) and (2), and (d)(1) of this section, the word "person" is substituted for the former word "insurer" because persons other than an insurer may be examined under § 2-205 of this subtitle and § XX-XXX of this article.

In subsections (c)(1) and (d)(2) of this section, the references to the "office" of the Commissioner are deleted as surplusage.

In subsection (d)(1) of this section, the former reference to a "proceeding" is deleted as included in the reference to an "action".

In subsection (b)(1) of this section, the former word "papers" is deleted as included in the reference to "books, records, or documents".
