

Assembly, as to the distribution of aid provided under this section and the ratio of protective body armor to police officers in each local jurisdiction of the State that applied for aid from the Fund.

DRAFTER'S NOTE:

Error: Unnecessary definition and incorrect terminology in Article 88B, § 30.

Occurred: Ch. 13, Acts of 1995.

66.

(b) For the fiscal year beginning July 1, 1975, and thereafter, the State shall pay to each subdivision, and to each qualifying municipality, each year in the manner and subject to the limitations and requirements hereinafter provided, an amount determined as follows:

(2) Share Over the Basic Expenditure. In addition to the amount, if any, payable under subparagraph (1) of this subsection, the State shall pay to each subdivision an amount equal to 25% of the amount, if any, by which aggregate expenditures for police protection exceed the equivalent of \$6.00 per capita. Provided however:

[(A)](I) For subdivisions with a population density less than 100 per square mile, and less than 30% of total population residing in municipalities, there shall be no payment under this subparagraph (2).

[(B)](II) For subdivisions with population density 100 or more but less than 500 per square mile, and for subdivisions with population density less than 100 per square mile but with 30% or more of total population residing in municipalities, payment under this subparagraph (2) shall not exceed the equivalent of \$3.50 per capita.

[(C)](III) For subdivisions with population density 500 or more but less than 900 per square mile, payment under this subparagraph (2) shall not exceed the equivalent of \$7.50 per capita.

[(D)](IV) For subdivisions with population density 900 or more but less than 1,100 per square mile, payment under paragraph (2) shall not exceed the equivalent of \$8.00 per capita.

[(E)](V) For subdivisions with population density 1,100 or more but less than 1,300 per square mile, payment under paragraph (2) shall not exceed the equivalent of \$9.25 per capita.

[(F)](VI) For subdivisions with population density 1,300 or more but less than 8,000 per square mile, payment under this subparagraph (2) shall be 25% of the amount by which aggregate expenditures for police protection exceed the equivalent of \$6.00 per capita but do not exceed the equivalent of \$36.00 per capita and 50% of the amount by which aggregate expenditures for police protection exceed the equivalent of \$36.00 per capita but do not exceed the equivalent of \$45.50 per capita.

[(G)](VII) For subdivisions with population density 8,000 or more per square mile, payment under this subparagraph (2) shall be 25% of the amount by which
