

(vi) Subparagraph (v) of this paragraph may not affect any student who is participating in the Nonresident Tuition Reduction and State Aid Program prior to the determination under subparagraph (iii) of this paragraph.

(b) (1) Subject to the provisions of paragraph (2) of this subsection, any student who attends a community college not supported by the county in which the student resides shall pay, in addition to the student tuition and fees payable by a resident of a county that supports the community college, an out-of-county or out-of-region fee equal to the county share per full-time equivalent student as determined under § 16-403 of this subtitle.

(2) (i) Any student who resides in an incorporated municipality whose corporate limits extend into 2 counties in the State is considered an in-county resident for tuition purposes at a community college campus located within that municipality that is supported by either county.

(ii) If a student is considered an in-county resident under this paragraph and the student does not reside in the county that supports the community college, the county in which the student resides shall pay the difference between the out-of-county tuition and the in-county tuition.

(c) Any county may appropriate money to pay the out-of-county or out-of-region fees for county residents who attend a community college in this State that is not supported by that county.

(d) (1) Notwithstanding subsection (b) of this section, if any student is a resident of this State and enrolls in an instructional program that the Commission designates as a health manpower shortage program or a statewide or regional program, the student shall pay only the student tuition and fees payable by a resident of a county that supports the community college and the Commission shall pay any applicable out-of-county fee. FOR ANY FISCAL YEAR, IF STATE APPROPRIATIONS TO THE COMMISSION FOR PAYMENT OF ANY APPLICABLE OUT-OF-COUNTY FEE UNDER THIS PARAGRAPH DO NOT PROVIDE SUFFICIENT FUNDS TO FULLY REIMBURSE APPLICABLE OUT-OF-COUNTY FEES, THE GOVERNOR SHALL INCLUDE IN THE BUDGET BILL FOR THE NEXT FISCAL YEAR A DEFICIENCY APPROPRIATION TO PROVIDE THE ADDITIONAL FUNDS TO FULLY REIMBURSE THE OUT-OF-COUNTY FEES.

(2) The Commission may make payments to effectuate the provisions of this section from funds specifically appropriated for this purpose as provided in the State budget or any supplemental budget request.

(e) (1) Notwithstanding subsection (b) of this section, if any student resides in a county where the per capita wealth is below the State average and the county does not support a community college or a branch campus of a community college, except for Baltimore City, the student may enroll at a community college or a branch campus in the State, either of which is located in a county adjacent to the one in which the student resides, and pay only the tuition and fees applicable to a county resident that supports the community college.
