Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 364.

This bill establishes one vessel noise level measuring procedure and one maximum vessel noise level limit for all State waters.

House Bill 848, which was passed by the General Assembly and signed by me on May 14, 1996, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 364.

Sincerely,
Parris N. Glendening
Governor
