The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
State House
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 699.

This bill establishes procedures for notifying certain victims of their rights by requiring law enforcement, court and juvenile justice personnel to provide a form that is provided by the State Board Of Victims' Services. Clerks of the circuit and juvenile courts are required to process forms regarding the victims' notification and the State's Attorneys are required to notify crime victims of the status of their case.

House Bill 975, which was passed by the General Assembly and signed by me on this date, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 699.

Sincerely,
Parris N. Glendening
Governor

Senate Bill No. 699

AN ACT concerning

Victims' Rights -- Notification Procedures

FOR the purpose of establishing procedures for notifying certain victims of their rights during the criminal justice process; requiring the State Board of Victim Services to create and develop certain informational pamphlets notifying victims of certain rights, services, and procedures provided by law; requiring the Board, in consultation with the Administrative Office of the Courts, to develop a notification request form through which a victim may request to be notified under this Act; providing for the distribution of the pamphlets to certain victims at certain stages of a criminal case; altering the composition of the Board; requiring the State's Attorney to mail or otherwise deliver to the victim a notification request form within
