Bill No. 69-95

AN ACT concerning

Reorganization of County Government

FOR the purpose of, and pursuant to Section 502 of the Charter, reorganizing County government by abolishing the Office of Central Services, the Department of Community Development, the Department of Permits and Licenses, and the Office of Zoning Administration and Development Management; creating the Office of Information Technology, the Department of Planning and Community Conservation and the Department of Permits and Development Management; placing certain functions and duties of County Government under the authority of certain new and existing County offices and departments; providing certain offices and departments with directors, personnel, duties, functions and responsibilities; providing certain directors with certain authorities, duties, functions and benefits; expanding the responsibility of certain inspectors; and generally relating to the duties, functions, responsibilities and authorities of the offices, departments and personnel of the Baltimore County government.
