

planning stage, the County is authorized to transfer funds from one project to another.

(D) Subject to paragraph (A), funding for the eligible on-site improvement projects for which JKCI or JKCS has agreed to manage as set forth in Schedule A shall be provided through a MDOT grant to Prince George's County, which shall be used only to reimburse JKCI or JKCS based on submission of invoices of up to \$31.2 million provided that MDOT has received a written agreement that JKCI or JKCS shall provide at least \$2.5 million towards the cost of the non-transportation trust fund eligible on-site improvements and that JKCI or JKCS agrees to be responsible for any cost overruns. Further provided that JKCI or JKCS shall be responsible for the maintenance of the on-site non-roadway projects identified on Schedule A regardless of the entity responsible for constructing those infrastructure improvements. Because the projects identified on Schedule A for which JKCI or JKCS has construction management responsibility are only in the project planning stage, the JKCI or JKCS is authorized to transfer funds from one project to another.

(E) It is the intent of the General Assembly that any monies spent by MDOT for the infrastructure construction occurring as a result of the construction of the Redskins Stadium must be transportation related as specified in this budget bill language, or the language contained in the \$22.5 million appropriation in Supplemental Budget No. 1.

(F) Notwithstanding provisions "(A)" through "(E)" as enumerated above this language shall only take effect upon the submission of a signed memorandum of understanding (MOU) by all parties, including the State of Maryland, JKCI or JKCS, Prince George's County, and the Maryland-National Capital Park and
