It is the intent of the General Assembly that the position of Assistant Secretary for Business and Regulatory Services be adjusted to Executive Level VI, base step 2, at a salary of \$70,912 \$75,233. This reduces the current salary level of \$79,813 by \$8,901 \$4,580. Further, as the Department of Health and Mental Hygiene reviews its staffing requirements in conjunction with allocating the position abolitions contained in the appropriation, administrative and executive level positions should be examined carefully. Performance, experience, and level of responsibility should be carefully weighed in determining positions and salary levels.
