36.01.02.13 Innovative Programs
General Fund Appropriation, provided that \$2,750,000 of this appropriation shall be contingent on enactment of SB 220 or HB 261 creating a School Performance Recognition Awards program.

It is the intent of the General Assembly that in awarding funds under the Education Modernization Initiative program, schools with low computer-to-student or computer-to-teacher ratios should be given priority. It is further the intent of the General Assembly that the State Department of Education seek federal and private sector funds to supplement the State appropriation for the Education Modernization Initiative.

It is the intent of the General Assembly that the Maryland State Department of Education provide the budget committees, the House Committee on Ways and Means, and the Senate Economic and Environmental Affairs Committee additional information on the School Performance Recognition Awards program. The committees request a report that includes the methodology, criteria, and time line for grant awards as the corresponding regulations are being developed.....
