(3) In the event federal fund revenues for these programs exceed the amounts authorized; these appropriations may be increased by approved budget amendment as authorized in this Act. Reductions may be allocated within agencies among programs affected by reductions in federal revenues;

(4) It is the intent of the General Assembly that agencies shall take due care when preparing budget submissions to accurately state the anticipated federal fund attainment so as not to understate or overstate the amounts expected to be realized.

SECTION 31. AND BE IT FURTHER ENACTED, That:

(1) For Fiscal Year 1997 appropriations shall be reduced to recognize savings resulting from enactment of legislation establishing an early retirement program (S.B. 1);

(2) The Governor shall (a) develop a schedule for allocating this reduction to the programs of the executive branch and (b) take such actions as may be required to implement the reduction under § 7-213 of the State Finance and Procurement Article; and

(3) Aggregate reductions under this section shall equal at least the amounts indicated for the budgetary fund types listed;

<u>Fund</u>	<u>Amount</u>
<u>General</u>	<u>\$10,000,000</u>
<u>Special and Current Unrestricted</u>	<u>\$5,000,000</u>

(4) Reductions under this section shall be contingent on enactment of legislation establishing an early retirement program for Fiscal Year 1997.
