

Special Fund Appropriation, provided that the Department may commit up to \$22,500,000 for infrastructure improvements to relieve traffic congestion at the proposed Redskins Stadium at the Wilson Farm Property in Prince George's County. These infrastructure improvements shall include those incident to providing parking as well as any other infrastructure improvements that will relieve traffic congestion. This amount is in addition to any funds otherwise committed by the Department for infrastructure improvements for the construction of roads or highways on the Wilson Farm Property.

22,500,000
