

General Fund Appropriation

2,790,354

33.07.00.08 Assistance Payments

In addition to the appropriation shown on page 77 of the printed bill (first reading file bill), to provide increased general funds for the Transitional Emergency Medical and Housing Assistance Program. Restoration of cash assistance at the increased level will raise total program expenditures. The share of the increased expenditures allocated to special funds exceeds the attainment projected for these funds. This supplemental budget will reduce the special fund estimate and provide an equal increase in general funds leaving the total estimated expenditure for the program unchanged.
