

General Fund Appropriation, provided that these funds shall be allocated to the county school boards based upon where the new students enroll, using the same procedure established to track enrollments for federal impact aid purposes. The available State funds shall be allocated to the counties based on the number of children enrolling in each county until the funds are exhausted. These funds are a one-time operating grant for impact aid. Nothing in this language is meant to preclude additional capital requests for school construction funds needed due to the influx of population to Southern Maryland.

1,000,000
600,000
