

RA02.20 Baltimore City Partnership funding

General Fund Appropriation, provided that this appropriation is contingent upon enactment of legislation (House Bill 312/Senate Bill 795) creating the New Baltimore City Board of School Commissioners.

Further provided that the following amounts of this appropriation may only be expended for the purposes indicated and are subject to the restrictions provided:

- (1) \$2,000,000 for assistance to the ten reconstitution eligible schools identified in 1997;
- (2) \$350,000 for consultants to assist in the development of the transition plan and master plan;
- (3) \$600,000 for a comprehensive audit by an independent auditor due by November 1, 1997; and
- (4) \$550,000 for coordination and orientation of the new school board and new staff and monitoring of the restructuring by the State Department of Education.

No funds hereby restricted may be expended except upon certification by the State Department of Education that funds will be expended for the purposes indicated.....
