

(c) Under any such agreement, the Department within the county shall enforce the public local laws of the county or municipality and perform related police services, in addition to its other and regular duties therein. For this purpose the Department shall provide such employees, buildings, and facilities as may be required by the agreement or, if not so required, as may be reasonable and proper in the discretion of the Department to perform the objects of the agreement.

(d) Every agreement shall provide that the reasonable and proper cost of the Local Division, for and within the particular county be determined by the Secretary and that the county or municipality shall reimburse the Department an amount equal to 100% of the cost so determined. The agreement further shall provide for the time and manner of payments by the county or municipality to the Department to pay this obligation.

(e) Every agreement requires the prior approval of the Office of the Attorney General as to legal sufficiency. Financial arrangements in every agreement require the prior approval of the Secretary of Budget and Management.

(f) The Department may have and provide such employees, buildings, equipment, facilities, and other operating materials for the Local Division as may be provided in the State budget from time to time.

(g) The employees in the Local Division from time to time shall be provided as an addition to the regular number of employees.

(h) For the purposes of this section, the word "county" shall include the City of Baltimore.
