

(1) In order to comply with the provisions of Chapter 353 of the Laws of Maryland, 1996, general fund appropriations shall be reduced by \$4,074,648 ~~\$2,600,000~~ \$3,000,000.

(2) The Governor shall (a) develop a schedule for allocating this reduction to the programs of the executive branch which do not reflect the salary and fringe benefits savings established under the law, (b) take such actions as may be required to implement the reduction under Section 7-213 of the State Finance and Procurement Article, and (c) reduce positions in these programs to achieve the required reduction.

SECTION 32. AND BE IT FURTHER ENACTED, That any budgetary actions or transfers of funding between objects or subobjects as a result of a collective bargaining agreement must be contained in a budget amendment in Fiscal Year 1998 and submitted to the budget committees for review and comment consistent with the process in Section 28 of this Act.

SECTION 33. AND BE IT FURTHER ENACTED, That the Injured Workers' Insurance Fund shall reduce its Calendar Year 1997 budget for out-of-state travel by \$5,000.

SECTION 34. AND BE IT FURTHER ENACTED, That the Department of Budget and Management shall make available position-level personnel detail for State agencies. In addition, the University of Maryland System should work toward developing position-level detail to be submitted annually with the budget. These data shall be made available in a format subject to the concurrence of the Department of Fiscal Services.

SECTION 35. AND BE IT FURTHER ENACTED, That, in the expenditure of federal funds appropriated in this budget or subsequent to the enactment of this budget by the budget amendment process:

(1) State agencies shall administer these federal funds in a manner which recognizes that federal funds are taxpayer dollars which require prudent fiscal management, careful application to the purposes for which they are directed, and strict attention to budgetary and accounting procedures established for the administration of all public funds; and

(2) State agencies shall administer and apply federal funds in a manner which will permit prudent management of the totality of resources available to the State. To implement this objective, State agencies shall:

(a) Report to the budget committees, the Department of Budget and Management, and the Comptroller:

(i) the amount and source of any federal funds included in the Fiscal Year 1997 budget but not attained in that fiscal year;

(ii) the amount of federal funds appropriated and available in Fiscal Year 1997 but unexpended in that fiscal year; and

(iii) the amount of federal funds awarded or otherwise available as of June 30, 1997, but not reflected in the Fiscal Year 1997 or 1998 budgets.

Amounts shall be identified by Catalogue of Federal Domestic Assistance (CFDA) number
