[12-512.] 12-507.

(a) A pharmacist who provides prescription services to medical assistance recipients shall offer to discuss with each medical assistance recipient or caregiver who presents a prescription order for outpatient drugs any matter which, in the exercise of the pharmacist's professional judgment, the pharmacist deems significant, which may include the following:

- (1) The name and description of the medication;
- (2) The route, dosage form, dosage, route of administration, and duration of drug therapy;
- (3) Special directions and precautions for preparation, administration, and use by the patient;
- (4) Common severe side or adverse effects or interactions and therapeutic contraindications that may be encountered, including their avoidance, and the action required if they occur;
- (5) Techniques for self-monitoring drug therapy;
- (6) Proper storage;
- (7) Prescription refill information; and
- (8) Action to be taken in the event of a missed dose.

(b) The offer to discuss may be made in the manner determined by the professional judgment of the pharmacist, which shall include either:

- (1) A face-to-face communication with the pharmacist; or
- (2) At least 2 of the following:
 - (i) A sign posted so it can be seen by patients;
 - (ii) A notation affixed to or written on the bag in which the prescription is to be dispensed;
 - (iii) A notation contained on the prescription container; or
 - (iv) Communication by telephone.

(c) Nothing in this section shall be construed as requiring a pharmacist to provide consultation if the medical assistance recipient or caregiver refuses the consultation.
