ML07 EASTERN SHORE HOSPITAL CENTER (Dorchester County)

(A) Replacement Facility. Prepare detailed plans for a replacement facility for the Eastern Shore Hospital Center, ~~provided that, prior to the expenditure of any funds, representatives of the Department of Health and Mental Hygiene, the Mental Hygiene Administration, the Eastern Shore Hospital Center, and the community providers shall collaborate in the determination of the recommended size of any future facility and report the conclusions to the General Assembly. This would entail determining the needs of those currently residing and/or being treated in the hospital, opportunities for treatment in alternative settings, and the level of community support required to complement the services provided by the Eastern Shore Hospital Center, provided that no funds may be expended until:~~

(1) the Board of Public Works has approved a sale whereby the State will receive \$5.0 million for the current Eastern Shore Hospital site. Local funds may be used to supplement funds to be received from the private developer group;

(2) Dorchester County has deeded to the State at no cost a parcel of land on which to build a replacement facility. The parcel should be of sufficient size and configuration to allow the design and construction of a 96-bed hospital facility with all necessary
