

ancillary support space. The parcel shall not be less than 22 acres in size;

- (3) the Department of General Services has certified that the new hospital site has adequate sewer and road infrastructure to service the new facility;
- (4) representatives of the Department of Health and Mental Hygiene, the Mental Hygiene Administration, the Eastern Shore Hospital Center, and community provider organizations have collaborated in determining the needs of those currently residing and/or being treated in the hospital, the opportunities for treatment in alternative settings, and the level of community support required to complement the services provided by the Eastern Shore Hospital Center and included the results of this collaboration in a report to the committees;
- (5) the Departments of Health and Mental Hygiene and General Services have reported to the budget committees on the feasibility of designing the replacement facility to allow initial construction of up to 78 beds with support spaces sized to allow the future addition of beds to the maximum of 96; and
- (6) the committees have reviewed and commented on the report or 45 days have elapsed from the date the committees received the report.

It is the intent of the General Assembly that State funding of the replacement facility not exceed \$20 million.....
