PUBLIC SCHOOL CONSTRUCTION

(A) Public School Construction. Provide funds to construct public school buildings and public school capital improvements in accordance with Sections 5-301 through 5-303 of the Education Article[. Notwithstanding the Board of Public Works' Rules, Regulations, and Procedures for the Administration of the School Construction Program prohibiting state funding of school design, \$3,400,000 of this authorization may only be used for planning expenses related to Neighborhood Schools in Prince George's County. Further provided that all other aspects of the Rules, Regulations, and Procedures for the Administration of the School Construction Program shall apply to the expenditure of the \$3,400,000 for the Neighborhood Schools in Prince George's County. Further provided the \$3,400,000 authorization for Neighborhood Schools may not be expended until Prince George's County provides a report to the budget committees explaining:

- (1) the scope of the efforts to desegregate county schools;
(2) how these funds will fulfill the desegregation goal; and
(3) the potential fiscal impact of the program. Funds may not be expended until the budget committees have reviewed and commented on the report or 45 days have elapsed from the date the report is received by the committees] (Statewide)
