(o) "Infrastructure project" means any undertaking, project, or facility that is planned, acquired, owned, developed, constructed, reconstructed, rehabilitated, or improved by or on behalf of a county or municipality in order to provide the essential physical elements that constitute the basis of the public service system. Infrastructure projects include, but are not limited to, streets, sidewalks, curbs, sewer and water systems, bridges, and public buildings that are owned by a county or municipality or any of their agencies or instrumentalities. Infrastructure projects may not include any facilities with respect to which local obligations financing such facilities would be private activity bonds within the meaning of § 141 of the INTERNAL REVENUE Code, [as amended,] for which an allocation under § 146 of the INTERNAL REVENUE Code would be required.

**DRAFTER'S NOTE:**

Error: Improper cross-reference in Article 83B, § 2-203(o).
