

President of the Senate
State House
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 199.

This bill alters the State Board of Certified Interior Designer's continuing education requirements for certified interior designer license renewals. Applicants for renewal certificates must earn at least one unit in two or more courses approved by the board, in place of the current requirement that at least two continuing education units be completed in any combination of board approved courses during each two year certificate term. This reduces the number of required hours from 20 per licensing term to 10.

House Bill 513, which was passed by the General Assembly and signed by me on this date, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 199.

Sincerely,
Parris N. Glendening
Governor
