

ANNE ARUNDEL COUNTY

Resolution No. 38-96

Charter Amendment - County Bonds and Fiscal Procedures

A RESOLUTION for the purpose of proposing amendments to the Charter of Anne Arundel County to provide authority to the County to issue serial maturity or term bonds in accordance with an annual installment plan; reorganizing certain sections of the Budgetary and Fiscal Procedures Article of the Charter; providing the County with flexibility to issue bonds to provide funding for specified classes of projects and to sell bonds by competitive sale for a price at, above, or below par; making conforming changes to bond issuance requirements and procedures to reflect changes to related Charter provisions; and generally relating to County bonds and fiscal procedures.

[Approved by the Voters November 1996]

Resolution No. 42-96

Charter Amendment - Exempt Service

RESOLUTION proposing an amendment to the Charter of Anne Arundel County for the exempt service to alter the composition of the exempt service to provide that a temporary employee may work up to 1,500 hours in a calendar year; and to provide that, upon recommendation of the County Executive, the County Council may, by ordinance, establish additional positions in the exempt service.

[Approved by the Voters November 1996]

Resolution No. 55-96

Charter Amendment - Core Groups

RESOLUTION proposing an amendment to the Charter of Anne Arundel County to eliminate the requirements that the offices and departments of County government be organized into "core groups" and conduct an "annual planning conference".

[Approved by the Voters November 1996]

Resolution No. 56-96

Charter Amendment - Board of Appeals

RESOLUTION proposing an amendment to the Charter of Anne Arundel County to allow the County Council to extend, limit, or modify the jurisdiction of the Board of Appeals by ordinance in accordance with State law.

[Approved by the Voters November 1996]
