

MONTGOMERY COUNTY

Chapter 2, Administration  
Sections 2-24

[Effective Date March 15, 1996]

---

**Emergency Bill No. 5-96**

**Chapter 7**

**Laws of Montgomery County, 1996**

AN EMERGENCY ACT to:

(1) direct the Director of the Department of Information Systems and Telecommunications to take certain actions to coordinate the location of certain public and private telecommunications transmission facilities;

(2) direct the Director to review and comment to certain land use agencies on the location of certain telecommunications transmission facilities, and maintain a database of those locations;

(3) establish a Telecommunications Transmission Facility Coordinating Group, prescribe its membership, and assign certain duties with respect to telecommunications transmission facility siting and policy to it; and

(4) require certain government agencies and private parties to submit a telecommunications transmission facility location plan to the Director and annually update that plan.

By adding

Montgomery County Code  
Chapter 2, Administration  
Sections 2-58E, Telecommunications facility coordination.

[Effective Date March 22, 1996]

---
