

to support the position, including an indication as to whether these are funds existing in the current appropriation or additional special or federal funds not included in the budget as enacted; and

(c) the reason the position was not requested in the fiscal 2000 budget and the impact, if any, of delaying the establishment of the position until the next budget submission.

(2) Any amendment required under this provision may not be signed by the Governor until the amendment has been submitted to the budget committees and the budget committees have had 45 days from receipt of the amendment for review and comment.

*Further provided that, on July 1, 1999, the Executive Department shall establish a centralized financial control unit for all offices, boards and commissions with special or federal fund revenue support. The appropriate personnel shall be transferred to the financial control unit from the units within the Executive Department that administer federal programs to the financial control unit. The Executive Department shall develop a cost allocation plan that not only recovers the statewide general and administrative (G&A) expenses but allocates the direct administrative expenses of the financial control unit to all Catalog of Federal Domestic Assistance (CFDA) accounts.*
