

JB01.01 State System Construction and Equipment

Special Fund Appropriation, provided that the Maryland Department of Transportation (MDOT) shall report to the budget committees on the recommendations of the Transportation Solutions Group, as well as its policies concerning the Intercounty Connector (ICC). This report shall detail the chosen alignment, costs, and time-table of any highway improvements recommended. The report shall also detail any other recommendations of the group that MDOT plans on implementing, including transit enhancements. The report shall be submitted to the budget committees by November 1, 1999.

Further provided that the department is precluded from expending any funds for right-of-way acquisition for any proposed alignment of the ICC project until the final alignment is selected, with the exception of funds required for protective buying or hardship acquisitions. Provided however, that MDOT shall, to the extent feasible, make every effort to secure purchase options in lieu of the outright purchase of properties for protective or hardship acquisitions.....
