

DRAFTER'S NOTE:

Error: Error in the revision of Article 33, § 3-302(a)(2). The intent of the Commission to Revise the Election Code had been to phase in a shortening of the period before an election when voter registration is closed. In 2002, the close of registration will be the 21st day before the election. The 24th day before the election was specified for 2000, but since that day would be a Saturday, the actual close would have been the following Monday, the 22nd day before the election. The Commission to Revise the Election Code determined that this result was not consistent with the intent.
