

(b) (1) To carry out its powers under subsection (a) of this section, the Commission may review and approve or disapprove the reasonableness of any rate that a facility sets or requests.

(2) A facility shall charge for services only at a rate set in accordance with this subtitle.

(3) In determining the reasonableness of rates, the Commission may take into account objective standards of efficiency and effectiveness.

(c) To promote the most efficient and effective use of health care facility services and, if it is in the public interest and consistent with this subtitle, the Commission may promote and approve alternate methods of rate determination and payment that are of an experimental nature.

[19-217.] 19-220.

(a) (1) To have the statistical information needed for rate review and approval, the Commission shall compile all relevant financial and accounting information.

(2) The information shall include:

(i) Necessary operating expenses;

(ii) Appropriate expenses that are incurred in providing services to patients who cannot or do not pay;

(iii) Incurred interest charges; and

(iv) Reasonable depreciation expenses that are based on the expected useful life of property or equipment.

(b) The Commission shall define, by [rule or] regulation, the types and classes of charges that may not be changed, except as specified in [§ 19-219] § 19-222 of this subtitle.

(c) The Commission shall obtain from each facility its current rate schedule and each later change in the schedule that the Commission requires.

(d) The Commission shall:

(1) Permit a nonprofit facility to charge reasonable rates that will permit the facility to provide, on a solvent basis, effective and efficient service that is in the public interest; and

(2) Permit a proprietary profit-making facility to charge reasonable rates that:

(i) Will permit the facility to provide effective and efficient service that is in the public interest; and
