REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 678 as it related to the Commissioner of Correction.

In the introductory language of subsection (a) of this section, the reference to "each correctional facility in the Division" is substituted for the former reference to "said institutions" for clarity.

In subsection (a)(2) of this section, the word "race" is substituted for the former word "color" for clarity and consistency with terminology used elsewhere in the revised articles.

Also in subsection (a)(2) of this section, the reference to "crime" is substituted for the former reference to "offense" for accuracy.

In subsection (c) of this section, the requirement that the report and statement being "verified" is substituted for the former requirement that the report and statement be "duly sworn to" for consistency throughout this article and with similar provisions in other revised articles of the Code. See General Revisor's Note to this article.

The part of former Art. 27, § 678 that relates to the Patuxent Institution is revised in § 4-203(d) of this article.
