

Similarly, the references to a "correctional facility" are substituted for the former references to an "institution". See General Revisor's Note to this article.

In subsection (a) of this section, the former reference to "departmental" policies is deleted as obsolete. The former "Department of Correctional Services" was reorganized as the "Division of Correction" in 1970. See General Revisor's Note to this subtitle. Correspondingly, in subsection (b)(3) of this section, the reference to the "Division" is substituted for the former reference to "Department".

Also in subsection (a) of this section, the former reference to a warden or administrator being in "sole" charge of a facility is deleted as inconsistent with other provisions of this subtitle. See, e.g., § 3-203(a) of this subtitle, which specifies that the Commissioner is "in charge" of the units in the Division.

Also in subsection (a) of this section, the former reference to policy being established "from time to time" is deleted as surplusage.

Also in subsection (a) of this section, the reference to "the correctional facility to which ... appointed" is substituted for the former reference to "his institution" for clarity.

In subsection (b)(3) of this section, the reference to "directives" of the Division is substituted for the former reference to "orders" for consistency with current terminology used by the Division. The Division currently issues "Division of Correction Directives", not "orders". The use of the term "directive" is also consistent with the fourth sentence of former Art. 41, § 4-105(a), which referred to "directives". See General Revisor's Note to this subtitle.
