

(C) VERIFICATION.

THE REPORT AND STATEMENT REQUIRED BY THIS SECTION SHALL BE VERIFIED BY THE WARDEN OF THE CORRECTIONAL FACILITY THAT IS THE SUBJECT OF THE REPORT.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 683.

In subsections (a), (b), and (c) of this section, the references to a "correctional facility" are substituted for the former references to an "institution" to reflect current nomenclature in the Division. See General Revisor's Note to this article.

In subsection (a) of this section, the reference to a report on the affairs of the "facility to which the warden is appointed" is substituted for the former reference to a report on the warden's "respective" facility for clarity.

Also in subsection (a) of this section, the former references to a "superintendent" are deleted as obsolete. Currently, there are no superintendent positions in the Division of Correction. This deletion also reflects current practice, *i.e.*, only wardens, and not facility administrators, submit the report and statement required by this section.

In subsection (c) of this section, the requirement that the report and statement being "verified" by the warden is substituted for the former requirement that the report and statement be "duly sworn to" by the warden for consistency throughout this article and with similar provisions in other revised articles of the Code. See General Revisor's Note to this article.

Also in subsection (c) of this section, the former reference to the "clerk" of a correctional facility is deleted as obsolete. There is currently no such position in any State correctional facility.
