

may, on request, obtain a copy of a presentence investigation report under subsection (a)(3) of this section includes "the defendant's attorney", but does not include "the defendant". The General Assembly may wish to consider whether "the defendant", as a matter of due process, should be added to this list.

In the introductory language of subsection (b)(1) of this section, the former reference to the circuit court "of [a] county" is deleted as implicit in the reference to the "circuit court".

In subsections (b)(1) and (c)(1) of this section, the references to a presentence investigation "report" are added to state expressly that which was only implied in the former references to a "presentence investigation" and for consistency with subsection (a)(1)(i), (2), and (3) of this section.

6-113. REPORTS BY STATE'S ATTORNEYS.

THE DIVISION AND THE DIVISION OF CORRECTION SHALL KEEP THE REPORT SUBMITTED UNDER ARTICLE 10, § 40A ON FILE SO THAT EACH UNIT HAS AN ABSTRACT OF EACH CASE FOR WHICH APPLICATION FOR PAROLE MAY BE MADE UNDER THIS ARTICLE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 4-610 as it required reports from State's Attorneys to be kept on file.

The reference to an application for parole made under "this article" (*i.e.*, the Correctional Services Article) is technically broader than the former reference to an application for parole made under "this article" (*i.e.*, Art. 41). However, no substantive change is intended.
