REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 4-612(g) and (i).

In subsection (a) of this section, the reference to the "day that an individual is scheduled to be released on mandatory supervision" is substituted for the former reference to the "scheduled mandatory supervision release" for clarity and accuracy.

Also in subsection (a) of this section, the word "performed" is substituted for the former word "completed" for consistency within subsection (a) of this section.

Also in subsection (a) of this section, the former requirement that the Division of Correction and Division of Parole and Probation perform the same duties that are "currently" performed for parole release is deleted as implicit.
