REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 4-519.

In subsection (b) of this section, the former phrase "whenever an inmate is placed under the supervision of the Division of Parole and Probation" is deleted as included in the defined term "supervisee".

In subsection (d)(3) of this section, the reference to a "disability" is substituted for the former, antiquated reference to a "handicap".

In subsection (f)(2) of this section, the reference to a violation "of the fee requirement" is added to state expressly that which was formerly only implied in the reference to a "violation".

Subsection (g)(2) of this section is revised using language that is consistent with subsection (f)(2) of this section.

In subsection (h)(1) of this section, the reference to the "supervision" fee is added to state expressly that which was formerly only implied in the reference to the "fee".

In subsection (h)(2) of this section, the reference to the cost of drug and alcohol "abuse" testing is added for consistency with subsection (g) of this section.
