

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 4-401(c)(8).

The Correctional Services Article Review Committee notes, for consideration by the General Assembly, that the last clause of former Art. 41, § 4-401(c)(8), which is revised in subsection (b) of this section, is ambiguous as to whether it applies to any county or municipal corporation that operates a correctional facility or, alternatively, to any county or municipal corporation that has a State or local correctional facility located within its territorial boundaries. This issue is relevant because no municipality currently operates a correctional facility but some municipalities do have State or local correctional facilities (or both) located within their territorial boundaries. The General Assembly may wish to resolve this ambiguity.
