

THE INDIVIDUAL'S TERM OF CONFINEMENT UNDER TITLE 3, SUBTITLE 7 OF THIS ARTICLE AS MAY BE DETERMINED BY THE COMMISSIONER OF CORRECTION IN EACH CASE.

REVISOR'S NOTE: This section formerly was Art. 27, § 616R.

The reference to "[a]n individual" who is delivered into custody is substituted for the former reference to "[a] person" who is delivered into custody because only a human being, and not the other entities included in the defined term "person", can be held in custody. See § 1-101 of this article for the definition of "person".

The reference to an individual's "term" of confinement is substituted for the former reference to an individual's "period" of confinement for consistency throughout this article. See General Revisor's Note to this article.

A gender neutral term is substituted for the former pronoun "his" because SG § 2-1238 requires the use of words that are "neutral as to gender".

The only other changes are in style.

Defined terms: "Commissioner of Correction" § 1-101  
"State" § 1-101

GENERAL REVISOR'S NOTE:

In revising the various articles of the Annotated Code, it was the usual practice of the former Commission to Revise the Annotated Code and article review committees to make very few, if any, changes to interstate Agreements. The Correctional Services Article Review Committee has made only minor technical and stylistic changes to the Interstate Agreement on Detainers, which comprises §§ 8-402 through 8-411 of this subtitle. These changes include conforming cross-references to other sections within the Agreement, making other minor changes to conform with current drafting conventions, and deleting pronouns and other words that are not neutral as to gender. These changes do not affect the substance of the Agreement.

SUBTITLE 5. INTRASTATE DETAINERS.

8-501. LEGISLATIVE FINDINGS; POLICY; PURPOSE.

(A) LEGISLATIVE FINDINGS.

OUTSTANDING CHARGES AGAINST AN INMATE AND DETAINERS BASED ON UNTRIED INDICTMENTS, INFORMATIONS, WARRANTS, OR COMPLAINTS PRODUCE UNCERTAINTIES THAT:

(1) OBSTRUCT PROGRAMS OF INMATE TREATMENT AND REHABILITATION; AND

(2) CAUSE AN INMATE SERVING A TERM UNDER A DETAINER TO SUFFER SERIOUS DISADVANTAGES.
