REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 78A, § 7.

In subsection (a) of this section, the reference to a "State correctional facility" is substituted for the former reference to "prison facilities for the Department of Public Safety and Correctional Services" for consistency throughout this article. See General Revisor's Note to this article.

Also in subsection (a) of this section, the former reference to "the date on which the new 500 bed replacement facility authorized jointly in Chapters 519 and 693 of the Acts of 1980 is open and accepting prisoners" is deleted as obsolete in that the requirements of those laws have been met.
