REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 25, § 133 and the second sentence of former § 128.

In subsection (a)(1) of this section, the reference to "real or personal" property needed is substituted for the former reference to "such property as may be" needed for clarity and consistency with § 11-405(a)(1) of this subtitle.

In subsection (b)(1) of this section, the phrase "[a]fter considering the probable income from the correctional farm property" is substituted for the former reference to "taking carefully into account in the preparation thereof, the probable income from the property" for clarity.

Also in subsection (b)(1) of this section, the former reference to property "committed to [the] care [of the governing body] under this subtitle" is deleted as implicit in the reference to the "correctional farm property".

The Correctional Services Article Review Committee notes, for consideration by the General Assembly, that this section grants to the County Council of a Charter county authority that may otherwise be exercised by the County Executive. The General Assembly may wish to amend this section to authorize the "county", rather than the defined term "governing body", to exercise the powers listed in this section.

Defined terms: "County" § 1-101

"Governing body" § 11-401

"Inmate" § 1-101
