

2. AFTER AN ADMINISTRATIVE HEARING, IS SUBJECT TO CANCELLATION OF ANY EARNED DIMINUTION OF THE INMATE'S TERM OF CONFINEMENT.

REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition of the full title of the "Administrator of a County Detention Center".

Subsection (b) of this section is new language added to clarify that this section applies only in Prince George's County.

Subsections (c) through (f) of this section are new language derived without substantive change from former Art. 27, § 645V.

In subsection (c)(1) of this section, the reference to "allow[ing] an inmate" to leave actual confinement is substituted for the former reference to "prescrib[ing] that the person may be granted the privilege of" leaving actual confinement for brevity and stylistic consistency throughout this article.

Also in subsection (c)(1) of this section, the former references to an inmate being allowed to leave confinement "during the prescribed term of detention" and "while serving the term of his sentence" are deleted as implicit in the reference to "an inmate sentenced to imprisonment in a detention center".

The Correctional Services Article Review Committee notes, for consideration by the General Assembly, that subsection (d)(1) of this section refers to conditions imposed by the "sentencing or administrative judge". The General Assembly may wish to amend this section to refer to conditions imposed by the "court" or, alternatively, the "committing court". See, e.g., §§ 11-704(c)(1)(i), 11-706(b)(2), 11-712(c)(2)(ii), and 11-717(d)(1) and (2) and (f)(3) of this subtitle; see also General Revisor's Note to this subtitle.

In subsection (d)(3)(ii) of this section, the reference to diminution of "the inmate's term of confinement" is substituted for the former reference to diminution of "sentence" for consistency throughout this article. See General Revisor's Note to this article. In subsection (f)(2)(ii)2 of this section, the reference to diminution of "the inmate's term of confinement" is added for the same reason.

In subsections (d)(3) and (f)(2)(ii) of this section, the references to "establish[ing]" a trust or condition are substituted for the former references to "prescrib[ing]" a trust or condition for stylistic consistency throughout this article.

In subsection (e)(1) of this section, the former reference to "surrender[ing]" earnings is deleted as included in the reference to "collect[ing]" earnings.

In subsection (e)(2) and (3) of this section, the references to the "authorized representative of the detention center" are added to state expressly that
