

~~recommendations of the MPA as to its preferred site; and~~

(4) description of proposed and any alternative sites for location of the warehouse, including environmental and engineering issues associated with each site and the recommendations of the MPA as to its preferred site; and

(5) non-proprietary information regarding potential customers and the status of discussions with organized labor regarding jurisdictional issues.

Further provided that no request for proposal regarding the warehouse shall be issued by the Maryland Department of Transportation until the expiration of the 45 day period.

Further provided that MPA undertake efforts to evaluate the viability of rail car float services to public marine terminals. Further provided that MPA shall report the results of such evaluation to the General Assembly no later than January 10, 2001
