R13M00 Morgan State University, provided that \$1,000,000 of this appropriation associated with enhancements for graduate programs, information technology, centers of excellence, and security upgrades, may not be expended until the Board of Regents of Morgan State University submits to the budget committees an Action Plan to implement the recommendations of the Morgan State University Review conducted by James L. Fisher LTD from November 1999 to February 2000. The Action Plan should include timetables and benchmarks, and identify the party responsible for implementing each element. The Action Plan should address all of the recommendations made in the February 2000 report, including the following areas: (1) general condition of the University; (2) academic programs; (3) faculty; (4) student services and financial aid; (5) administration; (6) budget and financial management; (7) private support and outside grants; (8) public relations; (9) governance; and (10) other issues raised during the course of the review.
