The department shall ensure that an equitable share of these administrative funds is allocated to the department, any county that receives funds under a Local Public Health Tobacco Grant, any person who receives funds under a Local Public Health Tobacco Grant, or any other person who receives funds under the Tobacco Use Prevention and Cessation Program. The department may transfer funds between the Administrative Component of the Tobacco Use Prevention and Cessation Program and the Administrative Component of the Cancer Prevention, Identification, and Treatment Program as necessary to ensure that equitable shares of administrative funds are distributed to these various entities. The funds that are allocated to the other components of the Tobacco Use Prevention and Cessation Program may not be used for administrative purposes.~~

~~(iii) Of the funds allocated to the Statewide Public Health Component of the Tobacco Use Prevention and Cessation Program, not less than \$750,000 may be used only for grants that will be used to provide outreach and start-up technical assistance to the African American community in the State for the purpose of organizing participation in the Community Health Coalitions that will be formed in each county and in Baltimore City under SB 896 and used to access Local Public Health Tobacco Grants under the Tobacco Use Prevention and Cessation Program and Local Public Health Cancer Grants under the Cancer Prevention, Identification, and Treatment Program.~~

~~(iv) The department shall submit to the budget committees a revised Managing for Results Plan for the Tobacco Use Prevention and Cessation Program that includes short-term goals for fiscal 2001, 2002, and 2003. This revised plan shall be submitted by July 1, 2000. The short-term goals will allow the General Assembly to evaluate the department's progress in implementing the Tobacco Use Prevention and Cessation Program.~~

~~(v) The department may not award any funds to an outside entity under the Surveillance and Evaluation Component before conducting a competitive bid process.~~

~~(b) \$30,781,627 of this amount shall be contingent on enactment of SB 896 and may be used only for the Cancer Prevention, Identification, and Treatment Program established under SB 896 as provided in this paragraph.~~
