

~~(iii) Any entity that receives funds under the Local Public Health, Countermarketing, Statewide Public Health, and Surveillance and Evaluation Components may use a maximum of 7% of the funds for administrative costs.~~

~~(iv) The department may shift a maximum of 10% of the allocation for each component of the Tobacco Use Prevention and Cessation Program to another component of the Tobacco Use Prevention and Cessation Program, with the exception of the Administrative Component, provided that the department must report the shift of funds to the budget committees within 60 days.~~

~~(v) Under the Local Public Health Component, the funding shall be allocated to the following activities in the proportions indicated:~~

~~15% Tobacco Cessation~~

~~45% Reduction of Tobacco Use~~

~~30% Reduction of Tobacco Use Among Minors~~

~~10% Enforcement~~

~~The local health officer may shift a maximum of 10% of the allocation for each activity in the Local Public Health Component to another activity in the Local Public Health Component. The local health officer may request a waiver from the secretary to shift more than 10% of the allocation for one activity to another activity. Administrative costs shall not exceed 7% of the total allocation for all activities under the Local Public Health Component.~~

~~(vi) The department shall submit to the budget committees a revised Managing for Results Plan for the Tobacco Use Prevention and Cessation Program that includes short-term goals for fiscal 2001, 2002, and 2003. This revised plan shall be submitted by July 1, 2000. The short-term goals will allow the General Assembly to evaluate the department's progress in implementing the Tobacco Use Prevention and Cessation Program.~~

~~(vii) The department may not award any funds to an outside entity under the Surveillance and Evaluation Component before conducting a competitive bid process.~~

~~(b) \$32,300,000 of this amount shall be contingent on enactment of HB 1425 and may be used only for the Cancer and Tobacco-Related Diseases Prevention, Identification, and Treatment Program established under HB 1425 as provided in this paragraph.~~

~~(i) Funds for the Cancer and Tobacco-Related Diseases Prevention, Identification, and Treatment Program shall be allocated among program components as listed below and may not exceed the amounts indicated for each component:~~

<del>Local Public Health</del>	<del>7,900,000</del>
<del>Targeted Hospital Capacity</del>	<del>2,000,000</del>
<del>Statewide Academic Health Centers</del>	
<del>— Johns Hopkins Institutions</del>	<del>2,250,000</del>
