

Health Center, and Surveillance and Evaluation Components for administrative purposes of the department.

(iv) Any entity that receives funds under the Local Public Health, Statewide Academic Health Center, and Surveillance and Evaluation Components may use a maximum of 7% of the funds for administrative costs.

(v) The department may transfer a maximum of 10% of the allocation for the Cancer Prevention, Education, Screening, and Treatment Program from one component to another component, with the exception of the Administrative and Statewide Academic Health Center Components, provided that the department must report the transfer of funds to the budget committees within 60 days.

(vi) The department shall submit to the budget committees a revised Managing for Results Plan for the Cancer Prevention, Education, Screening, and Treatment Program that includes short-term goals for fiscal 2001, 2002, and 2003. This revised plan shall be submitted by July 1, 2000. The short-term goals will allow the General Assembly to evaluate the department's progress in implementing the Cancer Prevention, Education, Screening, and Treatment Program.

(vii) The department may not award any funds to an outside entity under the Surveillance and Evaluation Component before conducting a competitive bid process, with the exception of existing contracts, Memorandums of Understanding, or Memorandums of Agreement for the Maryland Cancer Registry.

(c) \$1,500,000 of this amount shall be allocated for a grant to the Maryland Health Care Foundation. No funds may be distributed to the Maryland Health Care Foundation until a Managing for Results Plan on the expenditure of the funds has been submitted to the budget committees. The Maryland Health Care Foundation shall prepare a Managing for Results Plan on the expenditure of these funds and submit the plan to the department. The department shall submit the plan to the budget committees. The budget committees shall have 45 days to review and comment on the plan.

(d) To maximize the effectiveness of the Tobacco Use Prevention and Cessation Program and the Cancer Prevention, Education, Screening, and Treatment Program, the department shall ensure the following:

(i) The activities of all recipients of Cigarette Restitution Funds shall be coordinated to achieve the program goals set by the department; and

(ii) Unnecessary duplication among the programs of all recipients of Cigarette Restitution Funds shall be minimized. The department shall coordinate programs with similar purposes, such as prevention, to ensure that duplication does not occur.
