Special Fund Appropriation	3,000,000
----------------------------	-----------

RA02.57 TRANSITIONAL EDUCATION FUNDING

To add an appropriation on page 100 of the printed bill, (first reading file bill), to provide funds for a one time emergency grant for Allegany County Public Schools to maintain services without closing schools until the Allegany County School Board has had an opportunity to consider the recommendations of the performance audit of the school system and other factors pertaining to the allocation of available resources.

**Further provided, it is the intent of the General Assembly that the Allegany County Board of Education fully cooperate with the performance audit, which is expected to be complete in August or September of 2000, and that after the audit report is complete, adopt a redistricting plan**
