CHAPTER 447

(House Bill 1010)

AN ACT concerning

State Highway Administration Road - Controlled Access Highways - Service Signage Pilot Program - Prince George's County

PG 410-00

FOR the purpose of ~~requiring the State Highway Administration to establish a Road Signage Pilot Program to promote economic development in Prince George's County; authorizing the governing body of Prince George's County to participate in the Program; authorizing the County to place information and business signs providing certain information on State highways in consultation with the Department of Business and Economic Development and the State Highway Administration; requiring the participating County to adopt certain regulations governing information or business signs; requiring that the information or business signs conform with federal law; requiring the State Highway Administration to make a certain report with recommendations to the Governor and General Assembly by a certain date; providing a penalty for unlawfully removing, damaging, or defacing certain signs; providing for the termination of this Act; and generally relating to the establishment of a Road Signage Pilot Program in Prince George's County by the State Highway Administration~~ modifying the authority of the State Highway Administration (SHA) to place
